

Uber Beauty Me Time...

Me Time...our packages below are offered on a Sunday only on an appointment only basis when the salon will be closed to the public thus being private and exclusive enough to walk around in your dressing gowns...light lunch can be included.

Package 1:

Firstly...chose between either a manicure or pedicure using a relaxing and hydrating indulgent soak, followed by a gentle exfoliation scrub to smooth the skin surface. A warm conditioning mask is then applied infusing the skin with softening and hydrating properties. Your hands are then wrapped to maximise the benefits whilst as you drift into a dream state with a relaxing head massage. Your hands and lower arms are then treated to a soothing massage.

Secondly...enjoy a back cleanse and massage with Ubers citrus infused cleanse and monoi oils. Removed with hot towels to help you further relax before your facial...

To end your treat...An organic, holistic Spa Facial devised by Uber Beauty...to relax, distress, and clear your mind as well as your skin!

(2 hrs) £70.00

Package 2:

Start your time with us, having both, a hand and foot treat, helping you to relax and unwind. Using gorgeous lotions and potions to soften and nourish the skin that are somewhat often neglected.

An Uber Beauty treat... to conclude your day with our Chocolate Deluxe Cocoon...warm chocolate monoi oil is massaged into the skin, and removed with heated 'chocolate essence infused' towels. A chocolate oxygen mask is then applied to areas of concern and then you are wrapped to allow for the properties of the chocolate and oxygen to do its work whilst helping you to unwind. When unwrapped, heated towels are used to cleanse the skin and a layer of toning body soufflé will conclude your treatment.

(3 hrs) £85.00

Package 3:

The Uber Feet Treat with peppermint or lemon grass with commence your day...using organic creams, scrubs and oils to help you feel like you are walking on air.

An Orange and Lime Back Smoothie, (another Uber Signature Treatment) using fresh oranges and a lime and black pepper body scrub to smooth and soften the neglected skin that we mostly cover up.

Concluding this pamper treat, and following the theme of fresh ingredients (as nature intended), a Monoi Nourishing Facial...using organic honey and orange juice, bananas and coconut milk, giving you a treatment that you will definitely remember and come back to have time and time again...
