• Chocolate Deluxe 'Therapy'

Chocolate, chocolate, chocolate...A divine full body treatment. The body is cleansed with a warm chocolate and milk wash which is then removed with hot towels infused with chocolate. The body is brushed to encourage circulation before warm chocolate and exotic coconut oil is drizzled over the skin and the massage begins. A multi vitamin based oil and a layer of Karin Herzog's world patented oxygen and chocolate mask is then brushed all over the skin to rejuvenate, lift and hydrate. A layer of pure melted hot Swiss chocolate and nourishing oil is drizzled over the body which is then wrapped in foil. A scalp massage is included before the chocolate cocktail is removed and the client is guided to the shower to reveal lusciously silky, smooth and brighter skin all over. Yet another one of Herzog's creations we can't live without!
