

- Semi Permanent Make-up

Wakeup beautiful '365' days of the year with semi-permanent makeup by Uber's founder Molly Hanson-Steel. With years of experience and a presence in over 50 clinics nationwide with 'UBER' the 'WAKEUP BEAUTIFUL COMPANY', this revolutionary beauty treatment will define your eyes, brows, and lips with a soft, natural enhancement. That way you will have makeup that looks - and stays looking - like perfectly applied cosmetics or the most subtle of enhancements.

The pigments used are hypo-allergenic and 'medical grade' and have been carefully chosen to replicate the colour choices available with conventional cosmetics thus enabling us to achieve subtle, translucent, and the most natural of results.
